YMCA PICKLEBALL

Drop-In Procedures & Etiquette

Drop-in play is a great way to work on your pickleball skills and meet new players. To get started, set up your Court Reserve account with the facility.

Please follow these rules of etiquette for a fun drop-in experience:

- 1** When registering, select your correct level of drop-in play. This will help you, and your fellow participants, to continue improving and enjoying the drop-in session experience.
- 2** Check-in is required (at the front desk or with the court monitor, as applicable). If you are the first participant to arrive for play, please help set-up the nets.
- 3** While playing, please support a fair player rotation system so that everyone gets an equal opportunity to play. As appropriate to the number of individuals waiting to play, consider rotating teams based on time rather than game score.
- 4** If you need a break, take one! Do not push yourself too hard.
- 5** As the end of your drop-in session approaches, please end 5-minutes early to allow enough time for the Pickleball nets to be returned to the side of the court and for the balls to be returned to their storage location.
- 6** Have fun! Although scores are kept in drop-ins to support the match-style play and participant rotation, please keep the focus on having fun.
- 7** Make sure to report any injuries to the front desk. In the case of an emergency, dial 911 immediately and notify a staff member as soon as possible.
