

# CELEBRATING THE LEGACY OF MARTIN LUTHER KING JR.

On Monday, January 20th, we will honor and celebrate Dr. Martin Luther King Jr.'s legacy by hosting a rally for all members and guests who come into the branch. We will also have a designated table for all members to create their own card highlighting what Dr. King means to you. We will also have coffee, tea and hot cocoa for all to enjoy. See you at the Y!
