

# CELEBRATING THE LEGACY OF MARTIN LUTHER KING JR.

On Monday, January 20th, we will have Dr. Martin Luther King Jr.'s "I Have A Dream" speech playing on the TV in our lobby. All members will have the opportunity to fill out a laminated flyer that says "I have a dream..." where you can showcase your dreams for the future or the next generation.

We are also hosting a coat drive starting Saturday, 1/18 that runs through the month of January. Donations will go to local shelters and other organizations to support community members in need.

On February 1st, we will be offering a meal to our scholarships families.
